To all EMS Agencies:

New vehicle minimum equipment lists will go into effect on May 20<sup>th</sup>, 2019. A great deal of effort was put forth to ensure that all equipment lists accurately reflect current protocols. The items that have been added were recommended by the Ambulance Operations subcommittee and approved by the EMSCC.

Complete equipment lists, along with a spreadsheet explaining the changes can be found at [www.Michigan.gov/ems](http://www.Michigan.gov/ems) under the *Agency Licensure* tab.

If you have any questions, please contact me at 517-335-8382, or via email at [FloryD@Michigan.gov](mailto:FloryD@Michigan.gov).

Sincerely,

A handwritten signature in blue ink that reads "D. Flory".
